Approval Certificate

Approval for Engine Oil "Eurol Fluence SAE 5W-30"

Dear Sir or Madam,

Your above mentioned operating fluid complies with the requirements of the Mercedes-Benz Specifications for Operating Fluids, sheet 229.31 and is therefore approved for Mercedes-Benz vehicles and assemblies. The application range is shown on this sheet, respectively explained on Sheet 223.2. Our other specifications, e.g. SAE-grades, capacities, intervals for replacing, etc. have to be observed as well.

A 2 litre sample of each formulation and every SAE-Grade must be retained at all times, which can be called upon by DaimlerChrysler AG at any given moment. We will advise the address.

Sincerely
DaimlerChrysler AG

Kreitmann

Dr. Pelz
